Teaching Assistant

2011 - 2017 | New York, NY

Motion Graphics and Animation production and consultation for short to long form editorial and documentary projects. Regular producer and consultant for several media agencies including Getty Images, Verse Interactive, and StudioNow. Notable clients include The New York Times, ProPublica, The Atlantic, NBC, PBS, Univision, Food Network, Blue Chalk, PwC, Penguin Random House, Columbia University, Harvard University, Amnesty Intl., and Storyhunter.

2013 - 2015 | New York, NY

Created branding and visual identity for print and web outlets. Composed motion graphics and animations for multimedia pieces. Story development and storyboarding for non-traditional and commercial narratives. Developed creative strategy and direction for interactive storytelling. Actively involved in production as camera operator and interviewer, and post production as assistant editor. Website design and maintenance.

2013 - 2014 | New York, NY

Conceived and produced the motion graphics and animations for the award winning feature documentary "Food Chains". Assisted in the development and direction of visual style of all design elements. Developed illustrations for print and online campaigns.

2010 | New York, NY

Conceptualized and crafted motion graphics and graphic design elements for documentary, editorial, and commercial projects. Created architecture for user interface of MediaStorm brand CMS. Selected music and transcribed interviews for videos. Assisted experts in multimedia training workshop. Received recognition for design work on 'When the Water Ends' and 'Undesired.'

2009 | Syracuse, NY

Instructed undergraduate and graduate design courses in typography, web and interactive design. Taught graphic design labs on leading industry software. Curated and assigned posts for shared class blogs. Researched and assembled lecture materials.
